

You can connect to the Internet for free!

NTNU has cooperated with iTaiwan to establish a two-way user account roaming mechanism. Complete registration on the iTaiwan network to access the NTNU hotspots for WiFi. There are more than 5,000 WiFi hotspots (access points) established in the indoor public areas of Taiwan. Please feel free to apply.

Where to apply:

https://itaiwan.gov.tw/en/

Account: phone_number@itw

ex: 0912345678@itw

Quick Guide
